

Hello!

My name is Cam Harbeck, this will be my first year as the Summer Swim Coordinator.

I just completed my first year of University working towards my arts degree. I then plan to complete my Education degree. I swam competitively for 10 years with my age group club prior to my 2 years with the university. I just finished my final year of swimming with the University of Manitoba. During the winter season, I coach for an age group club in Winnipeg.

There is nothing I enjoy more than sharing my passion for the sport with others. I am looking forward to my opportunity to do so this summer.

Cam Harbeck
