From Sport Manitoba Games Office re Hotels in Thompson: We have had a number of inquiries from Parents and PSO's about hotels in Thompson for the 2018 Manitoba Games powered by Manitoba Hydro. Sport Manitoba has not blocked booked hotels for parents. We have rooms booked that we need. Some parents have not yet been able to secure rooms for the games. I would suggest they call (not book online) hotels directly. If they cannot get rooms, ask to be put on a waiting list. Some hotels do not do online bookings so doing a search for hotels and calling is the best option.

Thanks
