Bring out the whole family for a Saturday afternoon of inspiration, aspiration, and little bit of perspiration (don't worry parents, that last one will only be on the ice!). First, Winnipeg's very own Olympic swimmer, Chantal Van Landeghem, will hold a private session to share her story with Winnipeg's aspiring young swimmers. From there, everyone will head on over to watch the Moose battle it out against the Toronto Marlies. During the game there will be further opportunities to interact with Chantal.
