For Immediate Release

Swim Manitoba selects new Technical Director

WINNIPEG- Swim Manitoba is pleased to announce that Pascal St-Pierre has accepted the position of Technical Director. Pascal will assume the responsibilities of this new role effective February 1, 2018.

Pascal has extensive experience in swimming, as a competitor, coach, and sport administrator. He has worked for the past ten years at the Federation de natation du Quebec (FNQ), most recently as Director of Programming. He has had outstanding success leading the development and implementation of programs at FNQ, notably NCCP and Para-swimming. He currently sits on the Swim Natation Canada NCCP Committee and Safe Sport Working Group. He is a certified NCCP Level 3 Coach and a certified NCCP Master Coach Developer. He holds a Bachelor of Science in Human Kinetics from Laval University.

Swim Manitoba is committed to the development and success of our coaches and athletes. We are very excited to have Pascal bring his knowledge, energy, and experience to our province. His key responsibilities will include coach education, and athlete development. He will be working with all clubs throughout province to provide support and guidance in these areas.

Pascal will be located in the Swim Manitoba offices in the Sport Manitoba building at 206-145 Pacific Avenue, Winnipeg.
