Eric Suthon Memorial Award

Dear Manitoba Swim Coaches Association Members,

With Swim Manitoba preparing for our annual Awards Banquet on October 16th, 2022 we are accepting nominations for the Eric Suthon Memorial Award.

This award will be presented to a junior coach for achieving excellence at the fundamental/grassroots level in coaching. Among the criteria, the committee will consider those:

- Coach at grassroots, fundamental level (12 and under)
- Coach swimmers at the Junior Provincial Championships
- Number and new qualifiers at Junior Provincial Championships
- The improvement of their swimmers during the last season
- Their implication in their club or provincial activities

The award will be presented based on nominations received from MSCA members.

Nominations will be accepted by Manitoba Swim Coaches Association by filling and returning the page two of this document until September 23rd, 2022. At that time depending on the number of nominations received, the potential award pool will be reduced to a short list of potential award recipients. Each of these potential award recipients will be invited to the SMB Awards reception.

The board of Manitoba Swim Coaches Association will then be selecting a winner which will be announced at the Awards Banquet.
